Subject: Calls with Bob Kaplan and EPA- Wolverine and PFAS

Good Morning Felicia,

Director Grether has asked that I schedule two calls with Bob Kaplan and EPA with Director Grether and others from the DEQ who may be needed.

1. The first on Wolverine/PFAS, next week or early the following week.
2. The second call about EPA Michigan roles, etc. all on PFAS.

If you could please give me some dates and times, I'll see what I can do on my part here.

Some possible times for Heidi Grether are:

Monday, November 20, 1:00 EST

Tuesday, November 21, 2:30-5:00 EST

Wednesday, November 22, 8:30-12:00 EST

Tuesday, November 28, 2:00-5:00 EST

Wednesday, November 29, 3:00-4:00 EST (I may have other times)

Thursday, November 30, 10:30-2:00 EST

Friday, December 1, Flexible most of the day, prefer 10:00-3:00 EST

Certainly, we can be more flexible in the above dates as needed.

Thank you for giving me a few possibilities.

Mary Beth

Mary Beth Thelen

Executive Management Assistant to the Director

Department of Environmental Quality
